

Meintjies Plant Hire Company Profile

1.1 Background and Overview

The original company was started in 1960 by founder JL Meintjes. Since then it has grown, from a small Transport business, into a highly successful Plant Hire, Civil & Bulk Earthworks operation. The company was headed by Toy Meintjes from 1981 until 2004. Since then Wikus and Theo has been at the helm of Meintjes Plant Hire and Earthworks.

The Company employs close to 60 employees and has an ever expanding fleet of more than 50 Vehicles and Equipment. The business is based in Kya Sands, Randburg just north of Johannesburg.

2 Vision

- Enhance our level of service to such a quality that would exceed our client's expectations and needs.
- Develop the skills and competence of our Management & Staff and in doing so heightening the quality of service delivered to our clients.
- Constantly and consistently expand and advance, whilst renewing, our fleet. Insuring less unplanned downtime and operational shut-downs.

3 Mission

Meintjes Plant Hire has come to be a titanic force in the Plant Hire and Earthmoving industry over the past 50 years.

Our extensive client base is testament to our healthy business ethic

- Honesty
- Accessibility
- Loyalty
- Expertise

These are the 4 principles in which Meintjes Plant Hire proudly conducts all business dealings.
